

Advisory Committee on Water Information

ACWI 2015 Meeting, “Save the Date” announcement:

September 11, 2015

Dear ACWI Representatives, Alternates, and Friends,

We have scheduled the annual meeting of the Advisory Committee on Water Information (ACWI) for **October 27-28, in Reston, Virginia**. A draft agenda for the meeting will be distributed in the next week or two, along with some documents that you will want to review prior to the meeting.

Closer to the end of September, we will distribute information about airline and hotel arrangements, for those of you who will be traveling to the meeting from other parts of the country. Non-Federal ACWI members may have their travel reimbursed by USGS, if needed (we can reimburse travel for either the representative *or* the alternate, but not for both), but you *must* make your travel arrangements according to the instructions that we will send you.

Be on the lookout for the draft agenda and travel instructions, and I'll see you all soon!

-Wendy
