The 2010 meeting of the Advisory Committee on Water Information (ACWI) will be held July 13-14 at the Crowne Plaza Hotel in Reston, Virginia.

The purpose of this meeting is to discuss broad policy-related topics relating to national water initiatives, and the development and dissemination of water information, through reports from ACWI subgroups.

The agenda will include topics such as --

- Results of the Department of Agriculture's Conservation Effects Assessment Program for the Upper Mississippi,
- An update by the Subcommittee on Ground Water regarding their National Framework for Ground Water Monitoring,
- Highlights from the 7th National Monitoring Conference, which was held earlier this year in Denver, Colorado,
- A briefing on the Reservoir Sedimentation Database,
- Status of the National Monitoring Network for U.S. Coastal Waters and their Tributaries,
- An update on Federal agency interactions with the regional water quality monitoring organizations of the Integrated Ocean Observing Systems, and
- Updates on recent activities of the Methods and Data Comparability Board.
