**Notes:**

This agenda is an early draft, and it will certainly change (probably several times). Each new version will be posted on the ACWI website's registration page for the meeting: <http://acwi.gov/acwi-minutes/acwi2012/>

Negotiations are underway for choosing hotel accommodations for those who are traveling from out of town. The hotel will be located in the Reston/Herndon area, and it is most likely that the meeting will take place at the hotel, so rental cars will not be necessary for those who are in travel status.

For those who are unable to attend in person, the meeting will also be accessible via telephone and WebEx. Information related to the telecom and WebEx will be made available soon on the ACWI website, and will also be included in the final version of the meeting agenda.
