Notes about the Meeting Location

**Federal Highway Administration
Turner-Fairbank Highway Research Center (TFHRC)
6300 Georgetown Pike McLean, VA 22101**

1. The TFHRC is not accessible via Metro, so you will have to drive to the Research Center.
2. Please arrive at the gates of TFHRC between 930am to 945am and check with security.
3. Please inform the Security Guard that you are attending the ACWI SOH Meeting and touring the FHWA Lab. Our host is **Dr. Kornell Kerenyi [202-493-3142 (ofc) 5714057725 (cell)]**. You will need to show your Government Issued Badge/State-Issued Driver's License.
4. Park your vehicle in the visitor's space and proceed to the security desk in the Turner Building.
5. After you provide ID and confirm your name with the security staff, you will be given a visitor's badge and directed to the meeting conference room.

- The tour will begin with a slide show at 10AM and followed by a tour of the FHWA Hydraulics Lab. (If you run late, please text Victor at 240-330-8595, check with security, and report to the conference room.)
- Since the facility is several miles from eateries, we recommend that guests bring their own lunch so that our meeting can stay on-time. We will take a break around 12 noon for lunch. Please do not wander unaccompanied in the building and also keep noise level to a minimum.
