

## **2004 National Monitoring Conference**

---

### ***Building and Sustaining Successful Monitoring Programs***

### **Acknowledgments**

The Council offers its gratitude to those who served on the 2004 Conference Planning Committee. This committee has worked diligently in countless ways for more than a year to ensure the success of this conference. The Council also acknowledges the commitment and hard work of all those who served as abstract review team leaders and members, session moderators, workshop facilitators, and speakers. Many thanks go to all of the environmental monitoring professionals who prepared presentations, posters, and exhibits for this conference. The numerous individuals who participated in organizing the 2004 conference are listed below:
