Working Together for Clean Water

9TH NATIONAL MONITORING CONFERENCE

April 28 - May 2, 2014

Cincinnati, Ohio

Write a brief description of **how the group meets the award criteria** (see next page for criteria) and **why you feel this group should receive the award** (use extra pages, if necessary – **1.5 page maximum**).

*Note: Current members of the National Water Quality Monitoring Council or individuals who have been a member of the Council within the past six months are ineligible for the award.

Working Together for Clean Water

9TH NATIONAL MONITORING CONFERENCE

April 28 - May 2, 2014

Cincinnati, Ohio

CRITERIA: VISION AWARD

The Vision Award will be presented to a monitoring council or other group that has demonstrated extraordinary vision and cooperation in the field of water quality monitoring on a local or regional level through one or more of the following areas related to natural and water resources management:

- Developing new and creative approaches to water resources monitoring and management on a local/regional level.
- Providing leadership in bringing together a diverse array of partners, including scientists, managers, stakeholders, and communities, to address water quality/quantity issues.
- Promoting water quality monitoring data comparability, management, and sharing.
- Educating stakeholders on water related monitoring and management issues.
