

NWQMC Webinar Series Presents:

Volunteer Monitoring: Volunteer Engagement Best Practices – Spotlight on Missouri Stream Team

Presented By:
Chris Riggert, Missouri Department of
Conservation

Webinar Description:

Learn about one of the largest state-run volunteer stream stewardship programs and their ingredients for success to maintaining and engaging their volunteers. From the sign-up process, to training, to continual communication strategies there are a number of steps Missouri takes to retaining volunteers and creating layered engagement.

Webinar is free, pre-registration is required (log in 10 minutes early).
