SECOND ANNOUNCEMENT

Invitation

The Conference Organizers, on behalf of the International Association of Geomorphologists (IAG), have the pleasure of inviting geomorphologists and other scientists in related fields to participate in an *IAG Regional Conference on Geomorphology*, entitled *Landslides, Floods and Global Environmental Change in Mountain Regions*, which will be held in **Braşov, Romania, September 15-26, 2008**.

New deadlines:

1. **May 30, 2008 – Extended deadline for reduced registration**
2. **May, 30, 2008 – Extended deadline for abstract submission (with registration)**

Aims and Objectives

The Conference will promote exchange of ideas and methods for the investigation of landslides, floods, and associated geomorphic processes in connection with Global Environmental Change. Mountain Regions are very sensitive geosystems to Global Change. At the same time, they offer a variety of goods and services to mankind.

ORGANISERS of the Scientific Programme:

International Association of Geomorphologists,
Romanian Association of Geomorphology,
Carpatho-Balkan Geomorphological Commission,
Faculty of Silviculture and Forest Engineering, Transilvania University of Braşov,
Institute of Geography, Romanian Academy,
Faculty of Geography, University of Bucharest,
Faculty of Geography, Babes-Bolyai University of Cluj-Napoca,
Faculty of Geography-Geology, Alexandru Ioan Cuza University of Iasi,
Faculty of History-Geography, University of Oradea,
Faculty of Chemistry-Biology-Geography, West University of Timisoara,

On-Site Registration will be made at the Conference Desk.

IAG Grants for young geomorphologists

IAG offers 3 grants of 500 euros each to support the participation in the Regional Conference and in the Summer School of young geomorphologists world-wide. Applicants should have a special interest and research experience in the themes of the Conference, to be proved by their CV. For further details, see the Call for IAG Grants.

The Organising Committee of the Conference will waive the registration fees for the Conference and for the International Summer School to the IAG grant winners.

Visa Requirements and Insurance

Visitors should check with their local travel agent, or the Romanian Consulate or Embassy nearest to them, to obtain advice on the proper identification and documentation required to enter Romania.

Visitors should arrange for health and travel insurance prior to departure.

Instructions to the authors

The authors need to submit an abstract.

Abstracts

The abstract paper should follow some requirements: to be presented on a A4 format, with the title in capitals, the names of the authors (first the last names then the initials of the

surnames) all in capitals, the professional address with e-mails, all centered. The text should be of about 300-500 words, with 3-5 keywords, formatted in the Word program, in Times New Roman font, 12, space 1, and lateral spaces of 2,5.

An author can submit at maximum two abstracts as the first author.

Acceptation, review and publications:

The acceptance/rejection of these will be communicated to the authors (the first authors) before June 15, 2008. The accepted abstracts will be printed in the Volume of Abstracts that will be distributed to the registered persons during the Conference. Deadline for abstracts is May 30, 2008. The submitted abstracts must be accompanied by the registration form and a payment proof.

Posters:

Every author can choose between the two presentation forms: oral or visual (by poster). The size of the poster should not exceed 1.5 m length and 1 m width.

The third announcement will be sent in June 2008. Details related to the IAG Regional Conference on Geomorphology will also be found on the website of IAG (<http://www.geomorph.org>) and of the Institute of Geography of the Romanian Academy in Bucharest (www.geoinst.ro).
