

California Ecological Footprint

A sustainability indicator within EPA's Decision Support Tool

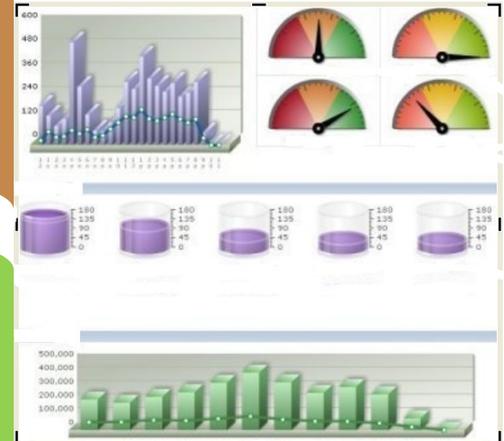

Ecological Footprint

CA production,
consumption, &
trade data

*Use Footprint
to inform policy*

Decision Support Tool

Plant Growth Index

Processed Data
from NASA/NOAA

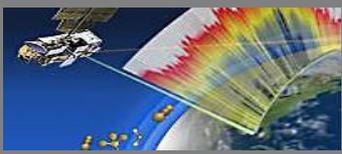

*Using models
to connect with
Eco & H₂O
footprints*

Water Footprint

Data production,
consumption, &
trade data

*Use Footprint
to inform policy*

Gravity Recovery
Climate Experiment

Processed Data
from NASA

*Using models
to connect with
Eco & H₂O
footprints*
